Features / Comments

This 2016 Subaru XV Hybrid is the perfect take on hybrid motoring with a sweet 4WD twist, if you don't want to squeeze yourself into a Prius or a Aqua and want some more room then this is the vehicle for you...

Powered by Subaru's excellent performing 2.0 litre eboxer engine paired to Subaru's Transmission. This provides assistance when accelerating and the power is then regenerated when braking, it has the feeling of turbo performance but without those hefty fuel bills.

A higher ground clearance gives excellent visibility all around whether it is on or off the road, and it sports some great features such as ABS Brakes, ESC, 4WD, Dual Airbags, Smart Key with Push Button Start, Auto Dual Zone Aircon, Auto Head Light System, Radar Cruise Control, SI Drive, Pre-Crash Safety System, Lane Departure Warning Electric Drivers Seat, Fog Lights, Rear Spoiler, Privacy Glass and more!
